

Business Sponsorship Opportunities

Vermont Adult Learning (VAL) has expanded access to essential education services throughout our communities since 1980. Community investment is vital to sustaining aspects of our work that go beyond the scope of state and federal funding; we invite you to be our partner in this work as a VAL Business Sponsor.

As a Business Sponsor, you can help us:

- Expand staff hours to provide more one-on-one support to learners with acute needs
- Provide Chromebooks for students to borrow for their coursework
- Supply our seven learning centers with healthy snacks and water for students who may struggle with food insecurity
- Cover the cost of public transportation or parking fees for students with transportation barriers
- Increase Diversity, Equity, and Inclusion initiatives and workshops for students and staff
- Support Professional Development opportunities for our staff

And so much more!

Please see our attached Sponsorship Opportunities and consider the benefits of enhanced community goodwill by supporting adult learners at a level that works for you.

Thank you for considering partnering with Vermont Adult Learning in this capacity.

Janine Fleri, Development Director
