

## ENERGY WORKS PARTICIPANT APPLICATION

Welcome to the Energy Works (EW) program! The EW is a free program designed to provide you with the training necessary to secure a fulfilling, well-paying career in the green energy sector installing solar panels, heat pumps, or weatherization projects.

There is a big demand for your talents. The green energy sector is full of employers seeking individuals just like you to join their team of professionals inspired to fight climate change through fulfilling careers.

The program happens in three steps:

1. Fill out this application form
2. Complete a phone interview with Jeff Nerney
3. Attend the training
4. Meet potential employers and prepare for a possible job shadow

Let's get started!

Name: \_\_\_\_\_

---

---

Do you hold any certifications or credentials? If so, please share:

---

---

---

How would you rate your own level of readiness to take action against the negative impacts of Climate change?

- I am super excited and ready to take action!
- I am OK with learning more about what I can do
- I'm unsure and haven't thought much about it

**FULL VALUE & SAFETY FOR EVERYONE POLICY**

Energy Works is a safe space for everyone. All participants are expected to treat themselves, other participants, instructors, VAL employees, and community partners with respect. Energy Works reserves the right to remove any student at any time from the training. Students who become combative, shame anyone, make homophobic, racist and/or misogynistic comments, or touch another student inappropriately, will be pulled from the course immediately.

I \_\_\_\_\_ understand that Energy Works is a safe space for everyone. I agree to conduct myself in a professional manner at all times while in the Energy Works program. Further, I understand that if my behavior is interpreted as being inappropriate, I may be pulled from the training for reasons that I may disagree with. If this happens, I agree to leave without incident.
